

SALT **PRODUCTS**

Our Brand

When it comes to "Salt" it needs to be a very sensitive thing to deal with because, it is the thing we use in our daily life. Salt is nature's gift, if it is in its natural form the "Rock Salt". We as a company working under the name of Eosalt.com have an ambition to provide our nation and across the globe the best quality rock salt that varies in the colors and mineral content from light pink to medium and dark pink and from white salt to black salt. All varieties have their own uses and benefits our team is working day and night to meet the salt requirements of our clients we have a range of home decor salt lamps and salt tiles used in cooking and construction of salt rooms and caves. Moreover, it is our goal to make our company the top exporter of salt in the world also for the prosperity of our beloved homeland Pakistan
